Project Learning Tree PreK-8 Distance Learning Teacher Workshop

April 15 & 16, 2009

4:30pm – 8:00pm

Cost: ****FREE!****

Project Learning Tree is an international environmental education program using trees and forests as a “window on the world.” The workshop will offer exciting new teaching ideas for use in science, math, social studies, language arts, and environmental education classes. All activities are correlated to Wisconsin’s Model Academic Standards. Each participant will receive a PreK-8 Activity Guide and a packet of Wisconsin-specific educational support materials.
